

GREENSBORO BAR ASSOCIATION FOUNDATION, INC.
GRANTS PROGRAM

The Greensboro Bar Association Foundation, Inc., formed in the early 1980's, is the bar-related entity through which many members of the Greensboro Bar Association extend their generosity to worthy causes in the community. Under the rules of the Foundation, monetary grants may be made to or in support of organizations and activities that relate to the legal profession, legal education, the administration of justice and, more generally, such activities which foster the honor and integrity of the law, facilitate the administration of justice, promote the study of law, maintain a law library, promote suitable standards of legal education and participate and promote activities which epitomize the contribution of lawyers to the community.

Grants will vary in size and frequency, and are determined on the merit of the program, and the availability of funds. Grants range in size and are typically for single-year programs, except in limited circumstances. The organization requesting the grant must be a not-for-profit organization, organized under Section 501 (c) (3) of the Internal Revenue Code 1986, a community-based local charitable organization, or a governmental entity.

APPLICATION INFORMATION

The grant request must originate from an organization located in the greater Greensboro, North Carolina area. In addition, the grant must be made to a corporation, trust, fund or foundation whose purposes and operations are charitable, scientific, literary or educational, and fosters or maintains the integrity of the law, improves the administration of justice, promotes the study and research of law, publishes or distributes material on legal subjects, maintains the law library, and promotes activities in the community which involve participation of lawyers in the greater good of the community. While there is no formal deadline for submission of the grants in any given fiscal year, grant requests are evaluated by a screening committee at least quarterly. Except in limited circumstances, once the fiscal year (ending May 31) grant limit of 5% of Foundation's funds has been reached, no further grant requests will be considered until the following fiscal year.

REVIEW PROCESS

The grant application must be in writing and delivered to the Greensboro Bar Association at its offices. Each request is evaluated by a screening committee of the Foundation, appointed by President. The evaluation includes both a consideration of whether the request falls within the Foundation's stated purposes, and also whether the request should be presented by the committee to the Foundation's board, with, or without, a favorable recommendation. During both the screening committee's evaluation process, and any subsequent consideration by the Foundation's board, personal presentations by the requesting individual or entity are not ordinarily permitted.
