

Dear Members of the Guilford County Bar and High Point Bar,

I respectfully submit my name for your consideration as a candidate for Guilford County District Court Judge. I am honored to have been recently nominated by the Democratic Party as its candidate for the November election, and I welcome the opportunity to earn the confidence and support of the legal community I have served for nearly twenty-five years.

I earned my Bachelor of Arts in Economics from the University of North Carolina at Greensboro in 1997 and my Juris Doctor from North Carolina Central University School of Law in 2001. Since that time, I have devoted my career to public service and the practice of law in Guilford County, gaining experience in virtually every district courtroom and across a broad range of subject matter.

My professional background includes service as an Assistant District Attorney, where I prosecuted criminal cases with a focus on fairness, preparation, and respect for all parties, as well as service as a Magistrate Judge, where I made critical, time-sensitive decisions affecting liberty, safety, and due process. I have also maintained a private practice, giving me firsthand insight into the challenges faced by litigants and attorneys navigating our court system.

These roles have shaped my judicial philosophy. I believe a good judge must bring patience, sound judgment, and even temperament to every case, while treating every person in the courtroom with dignity and respect. I am committed to equal access to justice, careful application of the law, and ensuring that all parties feel heard—regardless of background or circumstance. I value efficiency balanced with compassion, and firmness guided by fairness.

Having practiced before our judges, alongside fellow attorneys, and in service to this community for decades, I understand the responsibility that comes with wearing the robe. If elected, I will approach this role with humility, integrity, and a deep commitment to improving public trust in our courts.

Thank you for your time, your service to our profession, and your thoughtful consideration. I would be honored to serve Guilford County as District Court Judge.

Respectfully,

Moshera Mills
