

An important notice from the Clerk of Superior Court...

We are excited to announce that the Criminal and Civil side of our Greensboro office is being RENOVATED! Please bear with us during this transition. Due to all new workstations being built, we will need to close our office to everyone during this time.

- **Criminal will be closing at 3pm, effective Thursday, December 17th**
- **Civil will be closing at 3pm, effective Friday, December 18th****

****Our Civil 50B department has TEMPORARILY moved to UG-17.**

If everything goes smoothly, we anticipate re-opening both Civil and Criminal to everyone by Monday, January 4, 2021. During this period, ALL filings may be placed in one of the drop boxes outside the departments, or in the outside drop box located on Eugene Street next to the LG Handicapped entrance. We will have a limited number of employees here to process anything received from the drop boxes or by mail. Our High Point location will remain open during this time, if you need in-person assistance.

Thank you for your cooperation with this exciting transition!!
